Invitation: Field trip to the Netherlands

18.02. – 21.02.2025
Amsterdam & Hague, the Netherlands

Field trip to the Netherlands

The next Transnational Exchange VI field trip will take us to the Netherlands! One day is spent in Amsterdam, where we will meet with three NGOs doing counselling and projects in AVRR. On the second program day the group will take a short train ride to Hague, where we will visit IOM Netherlands as well as DT&V, Bureau International Deployments in Ministry of Justice and Security.

In addition to learning about the AVRR system in the Netherlands, the participants will have the opportunity to discuss and share insights about the counselling systems in their own countries. Interested to join us in Amsterdam and Hague? Please consult with your manager first, get travel permission and submit your application online: www.transnationalexchange.com/news

Transnational Exchange VI

The Caritas Association for the Diocese Augsburg, Germany, offers workshops, online conferences and field trips to European assisted voluntary return and reintegration (AVRR) counsellors within the Transnational Exchange VI project. Exchanging with European colleagues, listening to experts and visiting partner organizations will enable counsellors to reflect on their work and be inspired to apply new information and methods in their daily counselling work.
